words & music by

Give me a (①)) I, I need to get my story straight
My friends are in the bathroom getting higher than the Empire
State
My lover she's (②)) for me just across the bar
My seat's been taken by some sunglasses asking 'bout a scar, and
I know I gave it to you months ago
I know you're trying to forget
But (③)) the drinks and subtle things
The holes in my apologies, you know
I'm trying (④)) to take it back

So if by the time the bar closes and you feel like falling down
I'll carry you home

※ (⑤)) We are young
So let's set the world on fire
We can burn brighter than the sun ×2

Now I know that I'm not
All that you got
I guess that I, I just thought
(⑥)) we could find new ways to fall apart
But our (⑦)) are back so let's raise a toast
'Cause I found someone to carry me home

※ repeat

Carry me home tonight just carry me home tonight ×2
The world is on my side
I have no (⑧)) to run
So will someone come and carry me home tonight
The angels never arrived but I can (⑨)) the choir
So will someone come and carry me home

※ repeat

So if by the time the bar closes and you feel like falling down
I'll carry you home tonight

Give me a second I, I need to get my story straight
My friends are in the bathroom getting higher than the Empire
State
My lover she's waiting for me just across the bar
My seat's been taken by some sunglasses asking 'bout a scar, and
I know I gave it to you months ago
I know you're trying to forget
But between the drinks and subtle things
The holes in my apologies, you know
I'm trying hard to take it back

So if by the time the bar closes and you feel like falling down
I'll carry you home

※ Tonight We are young
So let's set the world on fire
We can burn brighter than the sun ×2

Now I know that I'm not
All that you got
I guess that I, I just thought
Maybe we could find new ways to fall apart
But our friends are back so let's raise a toast
'Cause I found someone to carry me home

※ repeat

Carry me home tonight just carry me home tonight ×2
The world is on my side
I have no reason to run
So will someone come and carry me home tonight
The angels never arrived but I can hear the choir
So will someone come and carry me home

※ repeat

So if by the time the bar closes and you feel like falling down
I'll carry you home tonight
