

Make You Feel My Love

words & music by
Bob Dylan “Make You Feel My Love”

When the (①) is blowing in your face
And the whole world is on your (②)
I could offer you a warm embrace
To make you feel my love

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evening (③) and the stars appear
And there is no one there to dry your tears
I could hold you for a (④) years
To make you feel my love

When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't (⑤) your mind up yet
But I would never do you wrong
I've (⑥) it from the moment that we met
No doubt in my mind where you belong

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry I'd go black and blue
I'd go crawling down the (⑦)
No, there's nothing that I wouldn't do
To make you feel my love

I'd go hungry I'd go black and blue
I'd go crawling down the avenue
No, there's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rolling sea
And on the highway of (⑧)
The winds of change are blowing wild and free
You ain't (⑨) nothing like me yet

The storms are raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

I could make you happy, make your dreams come true
Nothing that I wouldn't do
Go to the ends of the (⑩) for you
To make you feel my love
To make you feel my love

I could make you happy, make your dreams come true
Nothing that I wouldn't do
Go to the ends of the Earth for you
To make you feel my love
To make you feel my love
