

# Sad Forever

Daydream  
Life feels like a daydream  
And I just wish that I could (① )  
I just wish that I could wake up  
My mind  
Whispers in the nighttime  
Voices always keeping me up  
Telling me that I should (② )

(♥)'Cause lately, I've been in the backseat to my own life  
Trying to take control, but I don't know how to

(★)I don't want to be sad forever  
I don't want to be sad no more  
I don't want to wake up and wonder  
(③ ) am I doing this for  
I don't want to be medicated  
I don't want to go through that war  
I don't want to be sad, I don't want to be sad  
I don't want to be sad anymore  
I don't want to be sad forever  
I don't want to go one more day  
I just want to wake up and (④ )  
Everything's going to be okay  
I don't know how else to say it  
I don't want to go through that war  
I don't want to be sad, I don't want to be sad  
I don't want to be sad anymore

I'm coming through to the other side  
I'll (⑤ ) it through to tomorrow  
'Cause that's all I can do today, do today
